In preparing the application for allowance, Examiner noticed that the term "of" was improperly included in claim 2, line 14; however, the term was not present in the previous version of the claim and its inclusion renders the claim grammatically incorrect. The term "of" will be deleted from the claim to restore the correct claim language.

The application has been amended as follows:

In claim 2, line 14, "of is" was changed to -- is --.
